FOREIGN AND POLITICAL DEPARTMENT.

Sindh, 26th June 1925.

No. 241-S.—As soon as it was known that despite Government's warnings pilgrim ships were to proceed to Reohang, so the law was put in force

such arrangements as were feasible to allocate as far as possible the allocated landings which will necessarily attach to this year's pilgrimages. Steps have been taken by His Majesty's Government to apprise Shree Bin Sood and Jmie Ah of the impending arrival of the ships and to remind them of the responsibility which will devolve upon them for the well-being of these poor pilgrims from British territory. A special pilgrim office is proceeding to the spot and will be assisted by an Indian doctor and staff. Government have issued with effect that considerable food supplies were sent on the first pilgrim ship and have urged on the shipping companies the necessity for the dispatch of similar food supplies on any ships that may follow. Great though the risks undoubtedly are, Government earnestly trust that in view of the comparatively small number of pilgrims who will attend this year's pilgrimages, such arrangements as it has been possible to implement may help to stave off the danger of a serious breakdown.
